**GSCC Vision Statement:**  
Build grace-filled community  
Follow Jesus

Dear GSCC family,

After a fabulous and much blessed Christmas outreach and celebration, we started out the New Year with a renewed pledge to say yes to follow Jesus.

Praise be to God, we have witnessed so many changed lives and relationships in the past year. Let us continue to be transformed in our walk in Christ together in 2015.

We are so glad to have you in the family!

**Following** Jesus

## Children program

## Emily leads Sunday School

Emily has taken the role in directing Children Sunday School in 2015. Please pray for her for even more love, patience, and wisdom in the new role! If you are interested in investing your heart, mind, and time to this important ministry, please contact Emily.

## Book bucket

There is no better family tradition than to worship the Lord together week in and week out as a family. Parents with little children are welcome to pick up children books from the book bucket placed at the entrance of the sanctuary on the way to worship. Please do remember to return them when your child leaves for the Sunday School!

## New Sermon Series in Titus

What's amazing about the Bible is that the Word of God is entirely relevant and useful to all generations including ours today. In our new sermon series: "Transform and Shine", we will explore the book of Titus to uncover the call to change and shine for Jesus in today's world. (Feb 15-Mar 15)

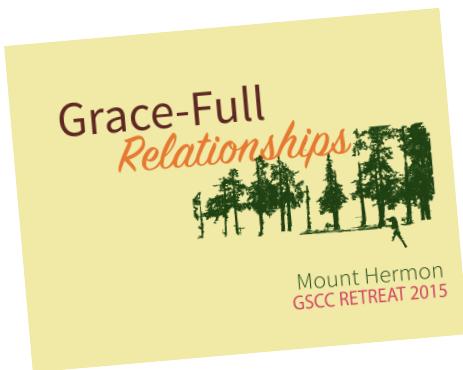

## Lent and Easter Outreach

We will begin our six-week Lent Sundays starting Feb 22nd leading to Easter Sunday April 5<sup>th</sup>. As we walk with Jesus on the road to the cross, we reflect on how He sacrificed and gave Himself for us. Pray for your friends and family in this Easter season. Plan to invite them to church and small group, and introduce the gospel to their lives.

## Mount Hermon Retreat Sep.11-13

Praise God we have secured the facility for this September's retreat at Mt Hermon. Pastor Friest will guide us to a refreshing spiritual journey of relationships from the lenses of the grace of God. Mark your calendar on 9/11-13, and remember, the number of beds in Mt Hermon is limited so sign up when the registration starts in late February.
